“ My deepest condolences to all of you during this difficult time. I had the pleasure of knowing Jacob in kindergarten and then was lucky enough to reconnect with him again for a short time when he was in fifth grade. His smile always brightened my day. He has always held a special place in my heart and I am so very sad to hear of his passing. You will all be in my thoughts and prayers.

“ Diane, John, and Courtney,

I am devastated to hear of Jacob passing. Having Courtney in my very first class as a teacher and then having Jacob for the next several years was one of the highlights of my life, along with babysitting them. Jacob was such an amazing light in my life. Words cannot express how sorry I am. I'm sending you so much love, hugs, and prayers.

Love, Melinda

“ My family just now learned of Jacob’s passing. We are so saddened by this news. We have sweet memories of time spent with Jacob and his precious family. We had lost touch in recent years but had held hopes of rekindling our friendship in the future. This is such a reminder of how we should make spending time with people we care about a priority.

It brings much comfort to know what a wonderful loving family Jacob was blessed with. His mama, daddy and sister loved, and still love him dearly. His mom and dad did so much to bring joy to Jacobs life. I am thankful that although Jacob is gone from this world he is now home with his Heavenly Father. He is healed. May Jacob’s family be reminded that although they may be separated from Jacob in this life they are not separated by eternity. As you reach out for Jesus’s hand on this side, may you know Jacob too holds his hand, only on the other side. May you experience peace as you dream of the sweet reunions that will take place in that sweet by and by.💕💕

*Much love,

“ *Our deepest sympathy to the family for this loss. May you find some peace and comfort as time passes knowing Jacob is in a better world than the one he left behind. May you have many memories to keep him close to your hearts and may the laughter overtake the tears as the years pass and you share your memories of Jacob with joy.*
