“ *Dear, Sweet, Funny, WONDERFUL Aunt Sissy,
How we all love you and share so many, many great memories. I
am so glad Becky and I got to see you and Uncle Shirley when we
were there. They don't come any better than our Aunt Sis. You and
mom used to have so much fun acting silly. You even played
detective when my first husband was cheating on me! Caught him
too!
As you reunite with your loved ones who have passed, just know
you will be greatly missed. Until we meet again, I love you;*

“ I remember Aunt Sissy always having A farmers tan from being outside with her flowers or cutting grass. She always fun to be with making us kids laugh all the time.
One year I found out that she & Mom got into watching basketball because of Dennis . R. the funny part was Mom really didn't watch TV
I am so happy that Kathi & I went to see Aunt Sissy & Uncle Shirley when we home for Kim,s memorial service we got our hugs & kisses from both of them. She could whistle like Dad too. All I know is she will be missed by all of us Quigley kids she was one great lady.
Love & Miss you Aunt Sissy.

“ I am so sorry to hear of Aunt Sissy's passing. She was a fun and funny person, when I think of her it makes me smile. I remember one family reunion at Bird's Park, she had to be in her 50's and darn if she didn't borrow some little kid's bike and take it for a spin around the park! I was amazed and so were the young children. My husband Mark also has fond memories of dancing with her at a wedding; again, she had a few years on him (about 30), and he had a hard time keeping up! Love to all and God bless.
