“ *I have so many memories of Jackie during her years at the nursing home. I will miss seeing her every day but know she is at peace and will be a shining light in Heaven. She was spunky, funny, caring but most of all dedicated to her family. My condolences to the family.*

Aunt Jackie taught me to knit when I was 12. I worked at St Mary's with her, too. I recall many times at the kitchen table growing up when she and my Mom, Lois Wheeler, would have coffee and visit. I am sorry I did not know of her passing until today when I was reminiscing about the old neighborhood by the Big Four in Kankakee, Illinois. RIP, Aunt.

“ I am so sorry to hear this but will always treasure the memories we made together. I cherished our phone calls and all the letters she exchanged with me. She was my ' little princess' and she knew it. Condolences to her family and friends

“ *I have such wonderful memories of visiting my Aunt Jackie& Uncle Royal as a kid. My Aunt Jackie always wanted to plant a kiss on our cheek right away so she could leave her mark(her bright red lipstick). I always looked forward to it. Uncle Royal always made us laugh with his dry humor, and Aunt Jackie would make a look or make some comment that he was a mess or nuts. Love you, Aunt Jackie!! Give mom, Aunt Lois, Uncle Jimmy and Paw Paw a big red lipstick kiss for all of us. Forever in our hearts! Your nephew, Jamie*
