“ *I got to know the family through my parents many years ago. All of us loved Jackie like a mother. She was a kind hearted, nurturing soul who was always, despite my resistance, looking out for my best interest even though she didn't have to. I always enjoyed her company, even though now it was restricted to Facebook. Godspeed Jackie. You were loved by many and will be missed by many more. Hugs and prayers for the family. Celebrate her life going forward. She was a great woman. Until we meet again.*

“ *So sorry Julie & Jennifer, as your mailman for many years I saw on a regular basis how close & loving a family you were lucky enough to have and your Mom/Grandma I'm sure had a lot to do with that.*
