“ I first met Jackie when we were in 6th grade at St. Pat's Grade School. We lived two blocks apart and spent a LOT of time at each other's homes. We went on to high school together and always met with a hug in all the years that followed. Enjoyed her humor, faith, ethics - a beautiful classy lady. The Lord's house has many rooms and I'm sure Jackie is in one right now. Rest in peace, friend.

“ I was Jackie's supervisor at CASA of Kankakee County. I will forever cherish the fact that I met her, got to know her, bonded with her. I will forever cherish the phone conversations, and the frank way we could talk about case issues, and life in general, and would laugh with each other. I love this woman, and will miss her greatly. Jackie was a CASA Volunteer for 13 years. She carried several cases and helped so many children and families in that time. The world lost a woman of great strength and gentility, but it is a better place because of her.
