“ *It was my honor to know and work with Jim. He was one of the most reliable and professional security officers I have ever worked with. He was absolutely my most dependable guy, always willing to help out anyone, anywhere, at anytime. Jim's influence will never be able to be replaced at work, or as a personal friend. Rest in peace Pal. You will be deeply missed by many, which is a testament to the life you lived. Till we meet again. - Thomas Harwood-*

“ *Jim and I both worked at Northfield Square Mall. Jim was a pleasant person to be around at work. I could tell that the people who knew Jim well had a great deal of respect and admiration for him. May the Lord watch over Jim's family in this time of grief.*

“ *My condolences to the Campbell family. I was fortunate to have work with c/o Campbell at Stateville, we shared many laughs together to make light of our situation. Relieving him from tower duty or other assignments he was always the same kind man. May he rest in peace.*
