My big brother died. He was a role model of ethics to me. His subtle sense of humor often caught me off guard. From my distance, he was a great father. His passion for my Illini in their greatest year, 2005, was an inspiration to me. If the Bulls win out this year, I know it will be for one of their greatest supporters, my BIG brother.

Dolores, my heart aches for you and the girls. Jim was such a wonderful husband and father, and gave me some of my greatest moments of joy with his humor.
