“ *Jamie and I worked together for the first time at the Bradley Hdqtrs. She was still in high school. Deepest sympathy for the family. Each person is given the gift of time on this earth to live, to love, and to leave a legacy. Family take comfort in knowing that Jamie made a true difference to her family and others she touched.*

My prayers go out to the family and friends of Jamie.....I remember many trips up to there house on Jeffery Street playing many hours with her and Debbie. In the summer we would walk up to the library or at that time downtown shopping and have a bite to eat. Those are memories that I will now cherish.

Deb, I am so sorry to hear of Jamie's passing. She was such a good human being. We often crossed paths and enjoyed having conversations. We both shared many stories about our dogs. Whenever Jamie saw me in a parking lot doing a police report in my police car, she would always roll up on me and say hi and ask how I was doing. She even gave me a Subway gift card, which was so nice of her. My thoughts, prayers and condolences go out to all of you. 🙏❤️🙏❤️
