“ As I sit hear on you back porch thinking of you, I will never forget the time I finally found you and Grandpa in Bushnell FL. The look on your eyes when you saw it was me. I know I was out of your life for a long time but, there was never a moment I didnt think of you. The time I peed in my bed and put my panties on the heater so no one would find out. The times I came to visit we had some really good times. I know you didn't feel food and you felt bad for not spendingtime with me. I would call and I know you didn't feel like talking but again I know you loved me and I love you with all my heart and soul. To me you were awesome and I know that you ate in heaven right now looking down on me. I wish I could have told you one more time that I love you!!!!I know you know that though. Till our eyes meet again at those pearly gates know I love you.
