“ Tom and Linda -- I just found the news of your mother's death. We have wondered for the past few years how she was doing. Bill and I (and our kids) all send our sympathy. Your parents were very important to us during our 5 years in Kankakee.

I started with the newspaper but then am so glad I went to the Schreffler site where we discovered all those wonderful pictures from throughout her life.

Our love and prayers are with you.

“ I remember Jean's big smile...all the time!! My father, Henry Piggush, lived across the hall from Jean at Presence. In the dining room, it was comical to watch her eat a little, especially her sweets. Then she'd try to leave saying she had finished eating her meal. But with a laugh and a huge smile, she'd obediently wheel herself back to her table and pretend to eat a little more. My other memory was watching her "steal" packages of cookies from the hall snack table. What a wonderful lady. She will be greatly missed by all. Gloria LaGesse

“ Dear family: Your mother Jean was truly a wonderful lady. I got to know her when she shopped at the grocery store I worked at. Then she sold us our house that we still live in today (32 years). She also gave me a Longerberger basket as a housewarming/thank yo gift. Mush to my husband's dismay that started my collection of baskets. To this day I still have the one she gave me. It holds fond memories for me. I hope your special memories of your mom help lift you up on those days when your sadness overwhelms you. She touched many lives and will be missed.

“ My heart goes out to the family of Jean Parlin. I am unfortunately very familiar with the pain you all are experiencing at this time. Please search for comfort and strength in our God, the God of all comfort. (2 Cor. 1:3) and never forgot God's promise for us of a resurrection. (Job 14:14,15) Please accept my dearest condolences.

“ Dear Family Members, I send my sympathy to all family members over the passing of Jean. When I first came to Heritage Village Jean was one of the first residents that befriended me. We would talk, at great lengths, about "life in general." Jean was always interested in what was going on with me and my flute circle along with everything else. Jean would tell me about her times over seas. It was good to share our stories with one another. I will miss Jean's friendly spirit. Blessings of remembrances and comfort, Chaplain Carole R. DiZeo from Presence Heritage Village in Kankakee
