“ *Jeannette was a wonderful woman. I will miss her very much.*

Our families were friends from the time her husband and my father met in the training program at Caterpillar in 1950, and we remained close even though we were living in different cities after the training program was over.

She and my mother remained fast friends through the years.

I will miss her lovely southern Tennessee accent and how she always gave me a new perspective on home making and decorating skills.

I am very glad that I was able to visit with her in May of 2018. She was still doing quite well at that time.

Thinking of you Deb and Harry, and Brian and Caroline.

“ *Mrs.Hendrickson was a beautiful lady. I use to clean for her at Westwood. She always seem happy to see me and to visit a few minutes. Thinking of her family at this time. Jackie*
