“ Sympathy to Jessica's family. Worked with her at Peddinghaus for a short time. Knew her Dad Jeff, also while working there.

We don't always understand God's plan, but prayers to the family to get through this very difficult time.

“ For the years I have known Jess she has been the only person I know who can be classified as almost 100% perfect. She was never cruel but always right there with the truth when you needed it. She showed unconditional love like no other. If you had a bad day, it ended the minute she was around you. She literally made me feel like I was special and important. Supported me and my family no matter what. I will miss our talks on love, life, children and more. My world along with many others is forever changed now that she is gone.

“ Adam & family,
I am so sorry for your loss of this beautiful young woman.. I am so thankful that I got the pleasure in knowing her and becoming close to her! She was my "go to" gal and whatever issue, whatever problem, she never judged me, her and I were actually quite the same! I'm gonna miss her so much and I am always going to think about her. I'm so saddened by what happened to her! Another angel entered heaven, I have comfort knowing that she's looking down upon us and she isn't suffering. **JESSICA YOU WILL FOREVER BE IN MY HEART! I WILL MISS YOU EVERY SINGLE DAY! Until we meet again my friend...**

“ I remember both Jessica and Jamie, little girls. Always laughing, playing. Jessica is such a beautiful soul. I find comfort in that her Father, Jeff was waiting for her and took her hand.

“ Without Jessica, our family wouldn't have one of our newest members. I remember having to promise her that I'd take care good of Captain and post a lot of pictures, before she'd let me take him home.

Thanks Aunt Jessica, for your heart that was always compassionate.

You're definitely missed. We love you.

“ *Jessica was always a nice person to talk to at family gatherings. Because of her (she rescued a tiny kitten left in a box, in the winter), we have one of the best pets! Captain brings our family a lot of joy. I'm going to miss her.*
