“ *We lived 4 doors down from each other on Poplar street for I think 10 years from the age of 4. In those years where there were no stresses about life, unless you count worrying if the boy we liked liked us back. She was always there. Came to family events with me, birthday parties, sleep overs. Just everything. We constantly played outside with Zach and Chris. Anytime I see kids playing outside I remember those days. I will never forget those times and how wonderful our time together was. Oh and I'll never forget her laugh and smile, it is pretty unforgettable.*

I'd like to think that down the road we would've reconnected and became best of friends again but I am so happy to have known her in her innocence. Thank you Jillian for the memories.

My heart goes out to her family and friends.

“ *Jillian was just a kid (2 years old) when we first met her in the neighborhood. She and Liz spent a lot of time together while growing up and those memories will be with us forever.*

I can't imagine the pain you must be feeling upon her passing. She was far too young. May you all (Rob, Erin, and Jane) be blessed with your memories of her.

With love, Teri (Menard) Worth and family
