“ *Jody was a bad ass woman. Not a harmful bone was in her body. She was kind and caring lady. That is what made her such a phenomenal woman. There are so many memories I have of her from all the family reunions I went to as a kid I will always cherish*

“ *My Aunt was a badass and the sweetest person wrapped in one. I'm very lucky that I had her in my life. She made me a stronger person. I love you Uncle Jeff, Jason, Dee & Nikki and I hope you know how much she loved all of you. I'm glad she is at peace but I will miss her everyday! She is gone too soon! Cancer takes too many lives and it took one of the greatest of them all!*

*Wish I could have been around to get to know my niece before she passed. If she was anything like her mom, the world has lost another kind soul. I wish the family the best during these trying times. Sending my love and positive thoughts.
