“ *Jack's suffering is now over, and I thank God for that. My wish now is that God's Grace and His eternal Love will give you peace and comfort through this difficult time. Jack lives on in all of our hearts and in the ways he has touched our lives. He was my brother; now there will always be a piece of my heart and a part of our family that is missing. I trust that Jack is home with our Lord and his soul is at peace.*
