“ *My deepest sympathies to John 's family. I met John when he worked for ABC. He and Joe Deno used to come in and get parts for the trucks. John was always smiling whenever I saw him and he was always upbeat. I hadn't seen him for a while until he went to work for Cabery Fertilizer.and it didn't seem that long ago that he was picking up parts for them. John will be missed. Rest in Peace my friend.
