“ *To the Dato and Wood families, Please accept my condolences on the passing of your mother and grandmother. I only saw her a few times, but feel I know so much about her because we often talked about our mothers at work. May you find peace and comfort as you cherish her memory. May the Lord keep you close during this difficult time. Darla*

“ *I remember when Nadine and Bill were dating. They were such lovebirds!! They were the talk of Limestone and Bonfield. Us younger people found it strange that this "OLD" couple showed their affection so openly. They were the ripe old age of 40!!!!!! My, how your opinions change with time ! My heart goes out to all of Nadine's family and close friends. Especially to her loving and caring husband , Bill. Thank you Nadine and Bill for all the wonderful memories of our family get togethers. I will forever cherish them!! Bonnie Gilbertson (Nanette's sister)*
