“ *Had the pleasure of knowing and working with Juanita at Catholic Charities for years. She was a real jewel and will be sorely missed by many seniors in the Kankakee area for her expertise in Medicare, Circuit Breaker and other senior issues. Loved talking with her as she was so full of life, opinions, advice, and tales of her remodeling and renovating experiences. Rest in Peace, Juanita - I'm sure you are in one of those many rooms that the Lord has prepared. Jean Skelly*

“ There are 10 of us in the Riverside Senior Advantage Office in Bourbonnais who were given the real pleasure to work with Juanita over the last 3 years. She became an invaluable member of our team when she whizzed through and completed our Volunteer SHIP Counselor training class in July, 2013. Over the last 3 years she volunteered 660 hours educating and assisting over 550 Medicare beneficiaries in our office. She was everyone's friend and advocate and never shied away from even the most difficult cases or clients. She was such an effective and wonderful problem solver, and not just in our office with clients. Her unique abilities and talents spanned over categories too numerous to list. I was awed and inspired by it! Our world is a better place because of Juanita. We have lost a very special person - a GREAT VOLUNTEER - an intelligent, creative, good-hearted, FUN and hard-working lady. We were blessed to have known and worked with her and especially blessed to have had her consider us her friends over the last 3 years. Our deepest condolences to her family. She died a proud and happy woman. We know this because she shared with us all of the details and pictures on her phone of the beautiful California wedding during our last staff meeting at the end of July.

And Chuck, we have also heard many great stories about the family, including you, when ya know, she was supposed to be working in our office on her paperwork! I'd love to see the finished farm house before it's sold. She shared all of the photos on her phone as work was being done. Unbelievable...

“ My deepest sympathy to all of you. I was volunteer coordinator for Hospice of Kankakee Valley when she started volunteering for us. I remember she was so much fun and so very dedicated. I was always amazed at the projects she would tackle with her rentals. She often brought a smile to my face. She will be missed.

“ I had the privilege of working with Juanita here at Catholic Charities for many years. She was knowledgeable about so many things and such an asset to whoever she helped. There wasn't anything the woman could not do. From installing hard wood floors to keying her rentals, I was always in awe of her abilities. She gave from her heart and she was always sharing pictures of all her family she was so proud of and her farm house that she was remodeling. She was such an inspiration to me and all who knew her. She was one of the best SHIP counselors ever trained. It sure helped that she use to run an H and R block too. But my favorite story of her counseling abilities is that she said a cold beer could cure anything and we often would share a couple:) But most of all, I have lost a great friend and I hope she knew how much I loved her and appreciated her time volunteering..... helping seniors and the disabled. You will be missed and hope to see you again at the resurrection my friend! Amy Ciaccio-Jarvis
