“ *Judy will be very missed. I remember her always treating me with so much caring and respect even though I was just a child and she was an adult. She was more than a cousin, she was a friend.*

“ *Judy was such a special person. She taught me a lot of life lessons when I was a very impressionable teenager working alongside her at Tholen's a lifetime ago. I always looked forward to spending my shifts with her because she taught me how to make the most out of every day. She also really genuinely loved people. Judy was just a refreshing soul to be around. She could make a stranger smile without saying a word. Even as an adult with a family of my own I still loved running into her all these years later or passing a message to her through her equally personable daughter Diane. I feel blessed to have known such an amazing woman. Her smile and conversations will be missed.*

I am so disheartened I missed her services. All my love and prayers to her family.
