

Keith Movern

November 14, 1968 - November 6, 2020

Keith Movern, age 52, of Bourbonnais, passed away Friday, November 6, 2020 at the home that he loved. He was born November 14, 1968 in Fairbury.

Keith was a graduate of Herscher High School.

He was a member of the Laborer's Union and had been a cement finisher.

Keith enjoyed his BIGDOG motorcycle, listening to country music, and spending time with his daughters.

Keith was a wonderful and loving man, a caring man, a hard worker, and a good man. He was kind to others and tried to help when he could. He was generous. He loved his family and being a daddy to his two daughters was the joy of his life. He loved being a dare devil with his motor cross bike, even his daughters went along with their motorcycle trying to match the feats of their daddy. Boating and fishing were a recreation that he took both daughters on, not sure if any fish were caught, but the time together served as his precious memories.

Keith loved to camp, loved the campfires, the outdoors, and the Covered Bridge Festivals with his family. These were a part of his life that he spoke about with animation and delight. He loved going to stock car races, the

louder the better. Taking time to appreciate his yard, he had plans in transforming the outside with Crimson Red Maple trees and flowers.

Country music was his favorite and loved “cranking” up the volume and singing along. His pride was his motorcycle, a BIGDOG, the old-fashioned rigid kind like the bikers used to ride. He loved riding with his friends, participating in poker runs and loved the thrills that went along with riding a motorcycle in the country.

To his mother, was a loving son and best friend. To his daughters, he was their daddy and grandpa to his granddaughter. His life was a life well lived but came too soon. To lose a child we lose our future, to lose a daddy we lose our past. May God cradle him in His loving grace.

“My life was given meaning upon the birth of my son. He brought joy, laughter, and love into our home and our hearts. He was his own person and lived life to the fullest. The shining stars in his life were his daughters and granddaughter, who gave his life meaning and joy.” – Diane Siaroff, Keith’s mother

Surviving are his mother, Diane Siaroff and her friend Bert; two daughters, Amanda and Alyssa; one granddaughter, Brihanna; one aunt, Nina; one uncle, Jim; cousins, Kent, Ryan, and Jeff, and their families.

Keith is preceded in death by his step-father, Sirano Siaroff, MD, who raised him as his son; maternal grandmother, Rosadele Siebert; and maternal great-grandparents, Adaline & Glecia Corbett.

A private celebration of life will be held at a later date.

Memorials may be made for his granddaughter’s education.

Arrangements by Schreffler Funeral Home, Bourbonnais.
