“ Dearest Kim and Family, it is sad to hear you have lost your Kenny. I hope it is so that families stay together in life and in death and will be rejoined.

“ *Kenny, my dear cousin I love you with all my heart. You were a beautiful soul here on earth and I am so very blessed to have you as my cousin. I know your are with your brother right now and yes, my mom too...crazy aunt Terri :) I wish so much I could have saved you. I love you so much! My latest memory of you was watching you answer all the questions on Jeopardy and me sitting there like what?? You were so smart....beyond my intelligence but you always made me laugh and feel as though I was the only person in your world when you talked with me. I will miss you forever until I am the one who gets to join you with all our beautiful family in heaven! To all my family still here and suffering for the love we feel we have lost.....know, LOVE*
