“ *Dear Jolene and Family,
My Hubby and I met Casey early in our lives, when he came down to Macomb, Ill, while we were in college. We spent so many happy times hiking out at Lake Argyle, playing horseshoes, laughing and relishing his company at many outdoor fires and gatherings. To us, he was loved because of the way he understood people, accepted everyone, and was genuinely interested in what each person was about.
He truly was a man who never met anybody halfway, and never met anyone he didn't like. Casey really was a "gem" of a person, and Danny and I will think of him often, with a smile in our hearts. We feel forever thankful that our path has crossed with his. We hope for you strength and peace at this sad time. God's blessings,
Hugs ,

“ *Dear Jolene and Family, Just wanted you to know that I will always have a warm soft spot in my heart for Casey. He was a great guy and added many fond memories to my life over our years of camping in Hatfield Wisconsin, attending Summerfest in Milw., cookouts in Hinsdale at my husbands parents, home and as his work as a camp counselor at a camp I ran for mentally handicapped children and adults. The camp counseling gig was something unfamiliar to Casey but he took on the task with determination and did a kind compassionate job. I also remember many long difficult conversations about his time in Vietnam and how this affected his life from then on as it did for many of the men in my age group. May he rest in peace. “ Casey is one of the few people I have known my whole life as our parents were friends. From cowboys and Indians to tipping a few at area watering holes. Very few I know inhaled life as deeply or were as universally liked by everyone. Journey on my friend and happy trails.

Ahhhh Case Boy, sorry that you have left this world...However it is comforting to know that we will see each other again on the other side. I am richly blessed to have a lifetime of memories of our times together. You were truly a kind soul and you will be missed greatly. My only regret is that we didn't get a chance in the last several years to knock back a whiskey up in Hatfield Wisconsin.

Alas, it will have to wait until we meet again... but in the meantime I will tip one to you now. Peace Bro!

PS. Ask the Good Lord to smile down on all those you left behind and have him instill in us some of your wonderful peaceful being. Love You Man! Billy Boy Urhausen
