“ I remember sitting with Jeff and his mom with my family and listening to her play her guitar as we sang and danced along. We will love you and miss you dearly but you will never be forgotten. To the family I pray for you in these hard times.

“ I am so sorry Jeff to hear bout your lost. When mom told me the other day it made me think bout when I was younger and she would take us to the fair to show the horses and would let me ride them. My thoughts and prayers are with you.
