“ I was employed by the YWCA for a few years as bookkeeper when Ellen worked there in Day Care. I remember her as a sweet and gentle caregiver who always had the best interests of the children at heart!

“ My condolences to the family during this difficult time. I am truly sorry for your loss. Please find comfort and hope in God's promise found at Revelation 21:3,4.

“ We had so many good times working together at the YWCA! And even before I worked there you had Scott in daycare. He still talks about you, and all the years he went there for summer camp. You were loved by so many children, you will always be remembered by them all. You were a very special lady! God bless!

“ love you Mom. I remember when we went to Rock City in Tennessee. We had so much fun especially in the needles eye. I thought I would get stuck but you told me it was bigger than it looked so I kept going. I also remember Thursdays that I sometimes went with you, Aunt Doris and Aunt Shirley. We would go shopping, out to eat and then go to Aunt Shirley to play cards. I would treasure those Thursdays. I love you so much and know that some day I will be with you again,
