“ *The three trouble makers (Arla, Harriet and Ilein) are now back together and probably having a wonderful time catching up and enjoying a glass of wine. She is back with all of her family members who left us too soon. Her and Nanny (Helen Rogers) are probably playing cards and cheating. Ilein will be missed by all of us.*

“ *So sorry for your loss - you are in our prayers. My most vivid memories of Ilein would be from the family birthday parties - just watching her, Harriet and Arla interact was a thing of beauty - pretty much like a literal 3 ring circus !!! She was always a lot of fun.*
