“ *I would like to think Lanette was my friend! I use to visit her when she lived in house on River Road with Fred. She always made me feel welcomed! I could visit with her for hours! Lanette and I shared a lot of laughter together, we got each other in that we both had simple minds! I felt that I was someone special because of our friendship, we truly liked each other! I know she is in peace now with family and I for one celebrate the time I had with her! Rest in peace dear friend!💖*

So sad to learn of Lanette's passing. I got to know through my dad when he lived down the road from them in Momence. I always loved spending time at her home or going out to eat. She was so much fun and so kind to me. I'm sure she will be missed by many people. Lana Bastin Shaughnessy
