

## LeRoy Carson

July 20, 1924 - October 24, 2016

LeRoy Carson

1924 - 2016

LeRoy Carson was born July 20, 1924 to Marie and Henry Carson in Chicago, IL. He accomplished a lot in his lifetime as a young Eagle Scout, a Northwestern Engineering student, and a WWII Army hero in the European Theater where he earned two bronze stars and a purple heart. He lived his Army Division motto “Nothing can stop the Timberwolves” throughout his life, and he was loved and respected by all who knew him.

LeRoy married Phyllis Harper in 1949 and they enjoyed a wonderful 67 years together, serving as a great example for their children of what a marriage can be.

LeRoy is survived by his wife Phyllis, children; Barbara (Craig) Thayer, Carol (Eric) Brimer, and Bob (Nancy) Carson. He is also survived by six grandchildren Matt, Tony, Karina, Kirsten, Alexis, and Lauren and five great grandchildren; Brady, Carson, Rio, Avery and Isla.

All of his family was able to spend time with him during the last few days of his life and were able to have a meaningful celebration of his life, a testament to how great a husband, father, grandfather and great grandfather he was. He was a life-long Cubs fan and was excited to see them finally earn a trip to the World Series.

We are blessed to have had him a part of our lives for 92 years. We salute

you dad!
