“ We are sending our love, big hugs, and lots of prayers to you, Nancy & Larry and your sons. We adored our spunky Aunt Lila and loved visiting with her and listening to all her great stories of when her and dad were growing up! . We have such wonderful memories of her (and all the perms she gave us as kids, lol) and will dearly miss her. Please know that we are thinking of you all and are here for you if you need anything.

“ To Family and Friends of Lila, I remember teaching Lila the Native American flute. She was a good student. Lila would play the flute while she was recovering at Presence Heritage Village. Even after she was discharged, from Heritage Village, Lila would come and play her flute. She did a great job with this instrument. I enjoyed teaching Lila the flute. She made beautiful music. May you and your loved ones hold onto all the fond and loving memories. Blessings of remembrances, Chaplain Carole R. DiZeo of Presence Heritage Village
