“ *Geneva was an amazing woman I remember affectionately for touching my life as a teenager. Her indubitable words of wisdom over many lunches and afternoon visits helped shape my Christian understandings in my young life. I remember asking her how people will know I am a Christian. Her effortless reply that permeated her whole life, was simply, "Live it" . Having known her, made me want to be a better person. She was an remarkable woman who quietly helped make this world a better place for all of us. Sincerely and with great respect, Kammy*

“ *Dear Uncle Ellis (and the rest of the family), I'm sorry I couldn't make it to the service today, but I wanted you to know that I have been (and will continue) to pray for you and your family. Mom (Lucinda Shaver) has been keeping me updated, and we've been thinking of you often and praying for you. We are thankful to be part of such a wonderful family, and thankful for the hope that life in / through Christ offers! May God guard you with His peace, hope, and joy. Love you, April Hutain, Greenwood, AR*

“ Our thoughts and prayers are with Ellis and all the family. Our sympathy in your sorrow, and our joy with you in celebrating Aunt Geneva's life and the assurance of the wholeness of heaven. It has been years since I last visited with her, but my memories will always be ones of her gentleness and warmth whenever I had the privilege of being with her--whether as a child at Grandpa & Grandma Birky's house, teenager at the big house on the farm, or adult various family gathering. She was a wonderful Aunt.
