“ *Lois & Wayne were always wonderful friends to my parents & our family, through Kankakee First Church. You could always hear Lois laughing, which is a great memory. Now they are back together, with my parents, Lloyd & Helen McClellan, all up in Heaven, having a great time.*

My condolences to your family. Will be keeping you in my thoughts & prayers.

“ *Lois was a fun to be with lady. I enjoyed working with her in the kitchen when I attended First Church. My best time with her was a group of us went to a restaurant in Frankfort and found out it was more expensive than we knew. We pooled money, ordered, then discovered none of us cared for the food. Many laughs! She was a beautiful lady inside and out.*

“ We loved Grandma Lois and were very blessed to have her in our home and to share Mother's Day with her at Olive Garden. We enjoyed calling her up spur of the moment and picking her up for Steak N Shake taco salad. I will never forget her little giggle, her stories about her and her husband whom she always called "Dad" and their many road trips. Never a doubt how much she loved her kids and their kids, her church and most importantly, her savior. I'm glad she can eat all the sweets she wants now.
