“ Loren was a faithful friend through the years we shared working in the hayfield, planting kernels of corn that the planter missed or just hanging out with his shetland pony. Ron Eisenman

“ My husband and I met Loren five years ago on a Country Music cruise. Each cruise since then, we met up with him, "our buddy", including January, 2023. We visited with him for about an hour the first night of the cruise catching up on the past year. It was with shock and great sadness that we learned he passed away. We have very fond memories of him. Dee & Steve Konz, Columbia, TN

“ My brothers and I grew up three doors away from Loren. We spent a lot of time at his house playing basketball and getting into mischief. He was a dear childhood friend!
