“ *I worked with Madonna for many years. She also was my kid's bus driver to BGS and this year she was my grandson's bus driver. My grandson really struggled with the bus at the beginning of the year because he was scared to come to Pre-School. She was so welcoming and really helped him feel comfortable on the bus. I know my students who had her on the bus this year miss her. She really did take care of the kids.*

“ *I'm sorry that I don't have the perfect words to magically heal an aching heart. Things happen without warning and "wham!" We're left to clean up and move on. It's the moving on part that really bites the big big one. She is gonna be missed but not forgotten. We'll be keeping you and your family in our thoughts and prayers. GOD BLESS!*

“ My deepest sympathy to Madonna's family. I knew Madonna from the time we were young children attending the same church. Then many years later Madonna, Sam, Christina, and Nick became our next door neighbors. Madonna was always very kind, and she always had such a ready, beautiful smile. May God comfort the Bain family and give you His strength during your time of need.

“ We are so very sorry to learn of Madonna's sudden passing. Our sons played baseball together and she was our granddaughter's bus driver this year. This sudden loss is tragic for the family and for so many who knew and loved her. Our thoughts and prayers are with her entire family.

“ There are so many memories with Madonna since our families celebrated holidays and special occasions together for most of our young lives and we weren't that far apart in age. My favorite memory of all is when we'd go out to the farm and roller skate in the old house next door to the big house. Madonna tried to teach me how to go down on one leg with the other leg extended but I never could master it like she did. I'd always fall over and we'd laugh so hard. May all the family find comfort remembering all the good times you shared. Love to all.
