“ My husband, Jerry Hamende and I knew Marilyn from high school in Herscher and he also worked at Leiser's with her over 50 years. He passed on January 21, 2010. Over the years, I saw her and George many times out shopping or eating and always enjoyed visiting with them. They were fun people. My family and I extend our deep sympathy to all of their family! “ I loved Marilyn . SHe and her sister were a year older than me, but we did a lot of fun things together. Went to the same church. Played sports. Marilyn was always a fun person. Very smart and a cute gal. I will always remember her and so glad I got to visit with her at Miller many times. She certainly will leave an empty spot at Miller.
