“ I worked with Randy for 25 years. He was such a quiet, soft spoken great guy. I remember when Katie was first born and how proud he was of being a dad. He loved her dearly. He used to bring her into the court house atop his shoulders and she always looked just as happy being with her dad. Obviously she loved him equally. A few weeks ago He, another coworker and I shared a quick tease and now he's left the memory of that last smile in my heart. Farewell Randy and save a seat for me in your new HEAVENLY HOME. RIP buddy. Katie: may our Lord & Saviour provide you with the comfort, peace, and strength needed to keep you lifted up during your time of sorrow. My condolence to you and your family during the Home Going of your father Randy. He is not dead, he is only asleep
