“ *Pam and Joshua*

There are really no words that can comfort your hearts at this time, but know that the memories that you have of Mark will comfort you for days and years to come.

I am glad that I got to know Mark back in 1987 (think that was the year) Not only was he my salesperson ,but became a great friend.Over the years no matter how long it was that we didn't talk ,when we did it was like it was only yesterday. Our on going thing for many years was him checking with me to see when your anniversary was because he couldn't remember if it was the 17th or 19th but he did remember that mine from my first marriage was either the day before or day after. We both would laugh each time he asked. One of my best memories is when the 3 of you came to New Jersey for my surprise 50th birthday and we bought Joshua to see the ocean for the first time. Over the years talking to Mark and him telling me about all the things Joshua was working on ,and how Pam was doing with school ,I could tell how much he loved his family and how happy he was, even though sometimes you couldn't tell he was happy, he was.

He will be truly missed by his friend in NewJersey but was always be remembered

“ We've lost a "member of our family" and the reality of it is still settling in! Mark was an "uncle" to our 4 sons and they loved him dearly. For years, Mark sat at our kitchen table, sorting baseball cards and playing Trivial Pursuit. His dry sense of humor kept us all entertained. We worshiped together, played together, and shared our joys and sorrows. Grieving and yet so very thankful that we have the assurance we will see him again and thru all eternity. Keeping Pam, Joshua, David and Sharon along with the rest of the family in our prayers knowing that God is the Mighty Comforter. Johnny & Marilyn Corlett

“ *Pam and Josh,*
Our sincere condolences to both of you and the rest of the family. I had the pleasure of working with Mark during my time with Marcho Farms and from time to time reached out since leaving. Our conversations were always light hearted, fun and about family. He spoke dearly and lovingly of both of you. May you find comfort in the words of family, friends and prayers. “ I met Mark when I was writing at Barnes and Noble. He was one of the regulars there and every week over the course of about a year he made time to talk and check in with me to see how I was doing. Often he would tell me about his son and all the projects he'd done. Mark was very proud of his son.

In good memories of Mark. I am sending love to your family. I am grateful for the time I got to spend with you. May you be blessed in the next part of the journey.
