“ *About 10 years ago Jerrilynn had a house warming party for me at my new place. Helen came, with a fruit salad, and a bloody finger. She cut herself making the fruit salad, pretty sure she needed stiches 😊 But she refused to go to the hospital so she could be at my party. She just sat there with her bloody finger, and she had a great time! We love you, Helen. You were truly one of a kind ❤️*
