“ I first got to know Mary Jo when she moved to Bourbonnais when we were in eighth grade, and we became friends. As teens we spent a lot of time together. After we graduated from high school, we didn't see much of each other but loosely kept in touch. She and Duane visited us at our B&B in Reedsburg, WI. Then when my sister, Carol, had her shoulders replaced months apart a few years ago, I saw her both times when I was helping her out after her surgeries.

*Thinking of a special friend this morning and that's Mary Jo Haskins. Mary Jo was truly a "friend of our Lord." She was humble as she served Him .... helping with a meal, making sure someone had a ride to church, praying at the table with friends, or sharing her thoughts with the Sunday group. She never seemed discouraged even when going thru cancer. I shall never forget the time when friends gathered around her as Duane anointed her. What made it even more special was the fact that immediately afterwards SHE started praying for her friends around her. "Always thinking of others" describes one of God's precious servants, Mary Jo Haskins.*

*The celebration of her life is this Thursday, yet if you knew her you have celebrated and thanked the Lord many times already for Mary Jo. What a strong true friend to have known. Thank you Lord for Mary Jo!

“Mary Jo was a wonderful lady. She loved her family . She became a second mom to me when I was in college and became friends with her daughter Becca. She welcomed me in her home and invited me to holiday dinners. May her legacy live on through her children and grand children and great grand children. My thoughts and prayers are with the family.
