“ You became my 2 and mom when my mom passed. You were a comfort. You taught me so much about the Moose and what it stands for. We had fun at conventions and vacations. I will be with you in spirit; I know you will understand. I will hug the Koala for you. I will always remember your saying " I don't want to tell you what to do BUT"!!!!

Love You,  
Rudy

“ I met Mary when I worked with her at Illinois Bell. Mary was my co-worker, my Tupperware Lady but most of all my friend. She was larger than life and wherever she went someone always stopped to talk to her. Everyone knew Mary. We reconnected 2 1/2 years ago and got together with other Bell Girls for monthly lunches. How blessed I am to have these memories with her. Rest in peace my friend, until we meet again.

Mary was a high school classmate in the class of 1956 at Manteno High School. Mary had a quick mind and well rounded life. She was always busy with volunteer projects it was evident she cared about those in need. I have no doubt she is still organizing something for the good in her after life! Rest in peace, Mary.
