“ *Donna, Brian and Todd, I just got back in town and saw in the paper where David had passed. I'm so sorry for your loss. Dave was a trully genuine person and gave 100% to everything he did. No one did more for me in my career and promoted me during my tenure on the school board then Dave. A true loss. You have my deepest sympathy. Lonnie Kolwelter*

“ *I remember him from woodshop in 1968. He showed patience dealing with me. He helped me make a napkin holder that I still use today. He also helped me make a lazy susan that was well used especially on holidays. My mom really appreciated both items and the use that they allowed for her.*

“ Brian, I am so sorry for your loss. I only knew your Dad from speaking to him on the phone several times. You may not remember me, I was your Sunday School teacher at Bethel for a couple of years (5th -6th grades). I knew you would amount to something! I am glad to hear that you have made a good life for you and your family. I am very proud of you! I hear about you once in a while from our daughter Beth. My thoughts and prayers are with you and your family at this very difficult time. May God be with you and your family. With deepest sympathy,

“ I've used what I learned from Mr. Peters wood shop classes, more than anything else. He was an outstanding craftsman, and I am glad I was able to learn from him.
