“ Uncle Bud always made me and my family feel important; always interested in what was going on with us. On Mollie's first Christmas, he & Martha sent her a snowman that played music through the mail and I just know that everyone at the Postal Dept that came into contact loved it because every time you touched the box....the snowman played music!! We still have that snowman and he is under our tree every year. He will have an even more special meaning to us now. I am so glad we were able to visit with Uncle Bud in August. I hope he is having a blast catching up with Grandma Bishop and all of his brothers & sisters. Sending prayers to his family at this difficult time but celebrating that he is Home now and at peace. I will miss you Uncle Bud!!!

“ To Uncle Bud's family: I am so sorry for your loss. I will always remeber Uncle Bud as a kind, gentle man. I will remember his patience, wit, and wonderful smile. He taught me many things over the years during our conversations. I hope that he enjoyed my company as much as I enjoyed his. I wish you peace and comfort at this difficult time.
