“ Kathy & family,

*Sending my deepest sympathy, prayers & condolences for the loss of your mother. To me, she was like a second mother. I will certainly miss all of our phone calls over the passed years since Uncle LaVerne left this world.. I wish there was a phone in Heaven. I still can't believe she is still not with us. I know that she is now happy, free of pain, but most important, re-united with her husband who she missed & loved so much.*
