“Ricky, James, Helen, Russ and all of Mary's family, we grieve with you in your loss. Words are inadequate to comfort the void and pain we know you all are experiencing, and added to that pain is your inability to come together to grieve and comfort each other. Mike and I and all of your Star Church family have been and will continue to pray for God's supernatural peace to envelop you and to comfort you all. Mike and I cherish the many Sundays Ricky and Mary, often along with their kids as well as grands, faithfully attended Mike's Sunday School class. We also enjoyed when you all participated in our Fall wiener roast at our house. Mary had a zest for life and a powerful love for her family, and a love for Star Church. Ricky, from the first visit to Star, you and Mary quickly became active and involved every time the doors were opened. We loved that about you both. Indeed, we will all miss Mary, but we know now, if we cling to Christ's promise, Mary has been welcomed into Christ's loving arms. To be absent from the body is to be present with the Lord, just as Jesus told the thief on the cross, "Today, you will be with me in paradise." Mary's suffering is over and her journey on this side of eternity is over; but oh, the wonders she is beholding now in her heavenly home. And we who have confessed Christ as our Lord and Savior will indeed see Mary again. That is another of our precious Lord's promises, and His promises are true. We love you all and we continue to lift you up in prayer daily.

“Ricky, Helen, Russ and family, we are so heartbroken for all of you. It's just hard to believe...so young. You were all blessed to have Mary (as we all knew her at Star Church!) in your lives. One of my memories of her is when she and Ricky stepped right up to help at any of our church events without waiting to be asked. That was such a compliment to us that they felt at home and they were. We are so thankful that she had faith in Jesus as her Savior and is at home with Him where we all hope to meet her again. So sorry too that you can't be together with all your loved ones and friends to receive comfort and support from each other. We love and care for you. David and Leslie Phelps

“ My dear aunt Angie I how do I even begin, you were always there for me no matter what all I had to do was call and ask. You were one of my favorite people. I enjoyed all the times you would come over to just sit and hangout with me and mom. All of our conversations we had. I will never ever forget how much you loved me and How much you loved my kids. I have been going crazy trying to find the shirt you made for Declan. You always said he was my red haired ball of fire. I miss you so much that I don't know what to do with myself sometimes. And I know if it's this bad for me it's so much worse for uncle and the your kids. I love you so much and I know that god needed you more then we did even if it doesn't feel that way. I will forever miss and love you till the day we meet again.

“ So many things can be said about the memories I share with Angie. But those memories are for her and I. Instead I will share my condolences to her immediate family and prayers for peace and comfort during their grieving process, no matter how long that takes. Angie was a very kind hearted person who would do anything for the people she loved. She was always willing to lend an ear to a friend or to help out however she could. She supplied me with tons of laughs and lots of life lessons throughout my teens. There was a time when we were inseparable. Now, all I can hope is that she knows how much she meant to me, and that she continues to walk with me in spirit. I love you all, and I am so sorry for your loss.
