“ *"and friends are friends forever, if the Lord's the Lord of them. And a friend will not say never, 'cause the welcome never ends. Though it's hard to let you go, in the Father's hands we know that a lifetime's not too long to live as friends." She was such a blessing and example as she lived her life with such courage and strength in the face of so many obstacles. My heart and prayers go out to the family.*

“ *I remembering having Mrs. Richardson for speech back in grade
school. She was probably one of the nicest people I've had for
speech, she never judge on where I was at, she was always there
for assistance and gave me that extra attention for school that i
need. I was always appreciative for everything she has done for me
and I miss her terribly. My thoughts and prayers are with the family
at this time. Thank you.*

We have been friends with the Gliddens since Ted was pastor of the Philo Presbyterian Church. Missy was such a sweet little girl and we have been so touched by her faith through all her illness. She was so brave and always had faith in the Lord. Our sincere condolences to the family.
