“ *So many fond memories of Mike. Weekends at the Square, driving around and having a quart or 2 of Old Style. Working on the cars in the back yard just to take them out that evening. Mike was the older brother I didn't have, the one that kept Delbert and I doing the fun stuff. You sure will be missed.*

“ I remember hangin out with Mike when I was in high school he would come pick me up at the house and we would go up to the square and hang out with a bunch of friends. Then later on we would go have coffee. Mike was like a big brother he is truly going to be missed by all that knew him.
