“ *Your daughter's chance meeting with my nephew Eric touched his heart deeply. It was a short but powerful encounter; he loved her. She was an Earth Angel with a bright Light shining outward in his direction; a Messenger serving to Awaken his Heart to Love and Goodness. I pray Eric lives his own life by the Guiding Light within Michelle that she shared with Eric. Your family and All your Daughter Touched in her Walk are in my prayers for comfort, acceptance and Peace.*

“ *Such a beautiful young lady. When we talked with Shelly last, she complimented her parents so highly. She made it very clear to everyone that her Daddy was her hero. She delighted in sharing about her son. She had so much love for both her parents and family. We wish to express our sympathy to all of her loved ones, and will be in prayer for a healing for them. Sincerely, Sonny and Linda Queen*

“ I have several memories of Shelly. One of them I will never forget though. We were standing up in our sister in laws wedding. We both got maybe a bit dehydrated and started acting goofy.

Next thing you know we are in the powder room on the floor wrestling like a bunch of boys! We ended up on the floor with the possibility of broken zippers and the reception didn't even start yet.

The best part was...we said to each other that we will never forget this moment as we were in stitches and staring right at each other and others were just staring right at us wondering what the heck we were doing.
