“ Thank you all for your thoughts and prayers and for your kind words as well. My grandma was one amazing woman. She had a very strong faith in the Lord and has taught me so much over the years to believe and trust my faith in God. I will miss Sunday mornings going to church with her, going on car rides, and USF spending time with her. She loved southern gospel music and we would always listen to that in the car as well. I love you grams and I miss you so much every single day. I am forever grateful you were my Grandma Boyd.

“ I'll always remember my early days in college at Olivet, it was comforting to know Aunt Myrna was nearby when we needed family. She always welcomed us to come visit. She's rejoicing with family in heaven now!
