“ We are so sad to hear about the passing of your mom. As neighbors we always enjoyed seeing her - and she always brightened our day. She liked to walk along with us on the way to school from time to time. God bless you.

“ My deepest condolences on the loss of your mother and grandmother. I enjoyed talking with her on my way to and from the train. Once on a family vacation fate brought us together at Mammoth Cave. I will pass her home with a heavy heart.

“ You have our sincere sympathy for the loss of your Mom. Every few years Sandy would "drop in" at our house because she was in the neighborhood. That's quite a large neighborhood since we live in New Mexico! Always enjoyed her visits. We will miss her.
