“ Nancy was a good friend and we went on several trips including Mackinac Island, Starved Rock to see a singing group, Stations of the Cross in Indiana - a public garden with life size figures of Jesus, and recently to view the Gallery of Trees at Christmas.

She was always a lot of fun to be with and I enjoyed her very much. Nancy Peterson and Gloria LeCocq also came with us. We will miss her very much. My prayers are for your family.

To the families of Nancy M. Campbell you all have our deepest sympathy. You all are in our prayers during this difficult time. She was one special lady to us. She sang in the Chancel Choir with me for several years and would let me know if I was off key or not! She would help my husband make homemade chili for our Choir Chili Supper every year. My husband was making the chili and he started to put fresh chopped garlic out of our garden and she said NO!!! I don't like garlic. So he didn't. Just for Ma-Ma! But come the next year he put it in when she wasn't looking and told him "it was better tasting then last year". I told her it must've been the fresh chopped garlic "Pete" put in! She said WHAT!?!?! And we all laughed! She was a joy to be around! You'll be missed Ma-Ma but NEVER forgotten!!! We LOVE YOU! 🍷
