“ Grandma it’s Ashley. I just found this and wanted to say I miss talking to you, I miss hearing your voice and getting a Birthday Card from you every year...(letting me know you never forgot about me) No matter how old I got, you would still send them. It’s just not the same without you, you really held the family together. I love you so much. I know you’re an Angel in heaven one of Gods favorite Angels watching me just from up above now. I haven’t heard from Mom so just maybe she will find this and see me. I will leave my email address and hope she will find a way to email me. Ashforbes7878@gmail.com
