“ *I remember the first time I saw you, BUGC. I was crushing BIG time. I was shy an never crossed my mind to go talk to you. Fast forward around 10 years, I saw you again in Micky's Gyros. Sitting with a girl who you said you were baby sitting.. I got my food to go, then said , " the hell with it". I went over an talked to you.. We exchanged #'s , and hung out a few times. Met your family an you met mine. One of the more memorable moments was when you were at my house an we an a couple friends were having a bonfire next to the pool, an I made some freah hot romen noodles. Came back outside, then you said you were gonna make some.. I sat my noodles down in your seat, went inside to help you.. Then you came iut before me sat down rught ontop of my hot noodles and screamed at the top of your lungs. Scaring the crap out of all us their.. Lol, your were okay, I let your borrow some of my shorts and we went on about our nite. We never dated, i dont think. But we just enjoyed eachothers company.. I left for Arizona and we never really spoke again. I considered myself a friend of yours. Last nite my Mom said, you know your one friend had passed.. She told me who, and I couldn't help to think of what kind of friend I considered myself to not know or attend your services. My condolences to your family, friends. Nikki I know your in a better place now, and Thank you for some good memories. You'll be missed. Nothing but good memories here..*

“ *Our condolences to the family on the passing away of your loved one. True comfort comes in knowing that death does not come from God. For He (God), promises to do away with death forever.(Heb 2:14; Isaiah 25:8)*

“ Nikki and I were good friends in grade school. We used to giggle about boys and play four square at recess. One of my favorite memories with her was a birthday party I had and we did karaoke. She rocked it! She was a beautiful person. Spread your wings Nikki and soar like the beautiful angel you deserve to be. Prayers to her family
